These activities will offer numerous benefits for your student, both physical and mentally by promoting an active lifestyle. Offering opportunities for kids to connect and bond with their peers who share common interests while participating in group lessons will allow the students to meet new friends and build lasting relationships.

Make Edmonton Ski Club your number-one destination for an unforgettable skiing experience. With a wide range of options, from lift tickets and lessons to snow tubing and luge activities, there is something for everyone to enjoy. Our qualified staff will ensure a safe and exhilarating adventure on the slopes. Don't miss out on the opportunity to create lasting memories at Edmonton Ski Club.
